Issue No.:01

SIS CERT.

IAS ACCREDITED Management Systems Certification Body MSCB - 131

IAF

ISO 9001:2015 specifies requirements for a quality management system when an organization:

a) needs to demonstrate its ability to consistently provide products and services that meet customer and applicable statutory and regulatory requirements, and

b) aims to enhance customer satisfaction through the effective application of the system, including processes for improvement of the system and the assurance of conformity to customer and applicable statutory and regulatory requirements.

POLICIES

Customer Satisfaction Policy

As Orion Partners Construction, our first priority is to evaluate all requests and feedbacks from our customers and ensure the best customer satisfaction and experience. We are committed to solving all negative feedback from our customers and continuously improve the customer experience.

Quality Policy

While fulfilling all the activities and services carried out by Orion Partners Construction, we aim to determine the needs and expectations of our customers and to provide services that provide added value to our customers. We ensure the right strategy and method to meet these needs and to provide services that are open to continuous development and change.

HSE Policy

As Orion Partners Construction, we are committed to ensuring that all activities and services carried by our company are environmentally-friendly and operate in a safe environment.

Data Security Management System Policy

As Orion Partners Construction, subsidiaries and affiliates, we care about ensuring business continuity, minimizing losses and risks arising from security breaches, ensuring internal integrity, and protecting all physical and electronic information assets.
